Selectmen's Meeting

APRIL 16, 1985 - by VIRGINIA ARRAL

TWO ROADS ACCEPTED BY SELECTMEN-
NEXT THE VOTERS DECIDE-MAY 6

Pocohantos Way and Eldorado Drive, located off the west side of North Street just north of Crystal Springs Road, were approved by Selectmen last Tuesday, with no opposition voiced by those attending.

Residents of both roads attended the hearing on the layout of the roads by which the residents hope to have them accepted as town roads. Selectmen Chairman John DeCosta informed them that someone from their group would have to be at the May 6 annual town meeting at 7:30 p.m. in the Old Rochester Regional High School auditorium to speak in favor of the road layout.

Highway Surveyor Manuel R. Nunes voiced no opposition to the plans. He did mention that there was a 1928 drain on North Street and Pocohantos Way that should be watched to be sure it didn't pose a problem.

DeCosta noted Eldorado Drive was originally developed by George Viveiros and Pocohantos Drive by Knight and Look.

In other business, Selectmen:

AGREED TO SUPPORT the Fairhaven Board of Selectmen's suggestion to have the state pick up the cost of lighting on Route 6 in an effort to curb local costs. A letter will be sent to New Bedford Mayor Brian J. Lawler and to the area's state legislators seeking their support.

Fairhaven Selectmen Chairman Everett J. Macomber, Jr. informed the board that Com-Electric official James Mendonza said "that even though Route 6 is a state highway, the communities along the highway are each responsible for the cost of the lighting". Mr. Mendonza did advise Mr. Macomber that the state does pay for the lighting on the New Bedford-Fairhaven Bridge.

DeCosta and Selectman James F. Huntoon agreed to a joint effort to curb the cost of lighting.

RESCHEDULED THE JOINT MEETING with the Mattapoisett School Committee, the Old Colony Vocational School Committee and R. William Blasdale, Town Moderator, to name a member to the Old Colony School Committee. The Mattapoisett School Committee had a previous commitment. The meeting will be rescheduled for April 23.

The Mattapoisett School Committee announced its reorganization: Maureen Best, chairman; Dorothea Pierce, secretary; and Ellen Driscoll, ORR District School Committee representative.

ANNOUNCED that Lloyd Haskell does not wish to be considered for reappointment to the office of Harbormaster/Wharf Commissioner at the end of his current term. His term expires April 30th.

Chairman DeCosta noted that anyone interested in serving in that office should contact the Selectmen's Office.

APPROVED THE APPOINTMENT of Nancy York, 59 North Street, as a Registrar of Voters. Her name was recommended by Kenneth Pease, Chairman of the Republican Town Committee.

HEARD from the New England Telephone Company regarding the recent complaint made by Alvin H. Schwartz of the Universal Industries at the Industrial Park concerning the touch town equipment available in Mattapoisett. (Schwartz had complained to Selectmen and

to the Telephone Company that the dialing system in Mattapoisett was too slow for the volume of calls his company makes in a day.)

The response letter from Sandra J. Williams, Manager of Public Relations for the phone company, explained she had met with Mattapoisett officials and Senator William MacLean in October 1984 to outline plans for the town. "At that time, I made the commitment that touch tone type equipment would be available in the Mattapoisett central office by the end of 1985. We will better that time", she wrote. The equipment is due to be installed in early May.

A second complaint, issued by Nicholas Patrikis of Mattapoisett, concerned measured service in Mattapoisett. Ms. Williams' letter reads, in part, "Mr. Patrikis stated that the towns of Carver, Marion, Rochester, Acushnet, New Bedford, Fairhaven and Wareham currently have measured service. Of the communities listed, only Wareham and Marion have the service. Mattapoisett is currently not scheduled for the service, but it will be made available at some point in time. It is very expensive to make the necessary modifications to the central office equipment. Most of the exchanges in Massachusetts do not have measured service. Where this service is available, we have found it to have low appeal to our customers."

Selectmen commented they were pleased with the response of the telephone company to the complaints of town residents. It was noted the explanation of touch tone type equipment is not the same as true touch tone system in that although the outside is touch tone, the inside workings are dialing the number.

Making a Visual History

How much do you know about your town and its history? Why is Mattapoisett so special?

This is announcing an endeavor to create a video tape history of Mattapoisett. There has been no recorded history since 1907 when Mattapoisett and Old Rochester was first published. Much has happened within that time span that should be recorded - wars, hurricanes, commerce, building expansion and changes in lifestyle. By using old photographs to recreate the past, commentaries from local citizens about these scenes, and new technological tools to incorporate the present, it is hoped a visual living history of these eighty years will be created.

This is a project that will be reaching out into the community for its resources. Mattapoisett has always been blessed with its citizens who have taken great pride in their town and its heritage. They have researched town history and recorded it in many instances. They have created a museum to house family treasures, records, and documents. They are special people and

thank goodness they have been resourceful.

There was talk about doing something to get recorded facts and interviews during the bicentennial and all agreed it should be done. There is a generation in town that has come from the horse and buggy era to putting a man on the moon. They have a lot to tell us, and the time has come for us to begin.

We have been assured that this endeavor is not as difficult as it sounds. American Cablesystems is willing to work hand in hand with the use of equipment, expertise, and instruction. On May 8th our efforts begin. A meeting will be held at the library to formulate this project. Much ground work has been done and a tentative agenda established. We will need volunteer commitments to the project.

Mattapoisett is made special because we are able to work together for a common cause. Remember our community effort during the Bicentennial. Let us start by looking for old photographs of happenings and celebrations that will help recreate this history. Let us all work together and make this a recorded statement of our times for future generations.

ANNUAL ART IN BLOOM EXHIBIT

The Annual Art in Bloom Exhibit at the Fine Arts Museum in Boston, featuring floral arrangements enhancing selected paintings, will open on April 30th and close on May 2nd. The Garden Group and the Fine Arts Group of the Mattapoisett Woman's Club plan a visit on Wednesday, May 1st. This is an opportunity for both groups to share an appreciation of beauty.

Car pools will be leaving from St. Anthony's Church parking lot at 8 a.m.. Arrival at the Museum parking lot by 10 a.m. should ensure parking there for a fee. The charge for the Museum and tours will be $4.00. At 10:30 a.m. there is a gallery talk on a special Bonsai exhibition and at 2 p.m. a demonstration of flower arranging will be given. Luncheon will be available in any one of the three dining areas in the Museum. We are leaving it up to individuals to arrange car pools to suit themselves, as we realize some have to be back in Mattapoisett earlier than others. If you have any further questions please call Catharine Hutchinson at 758-9454.

LITERATURE GROUP TRIP

The Literature Group of the Mattapoisett Woman's Club will have their annual spring outing on Wednesday, May 15th. The group will visit the Ashumet Holly Reservation in Falmouth and have lunch at the Nimrod Inn, also in Falmouth. The group will leave the Congregational Church park-

ORR Math Team

The ORR Math Team ranks 30th out of 247 schools competing in the New England Mathematics League after five meets. ORR still ranks first in Plymouth County and leads such schools as: Brockton, Hingham, Hull, Marshfield, Notre Dame Academy, Scituate, and West Bridgewater.

With only one meet remaining ORR has a slight lead (3 points) over second place Hingham in Plymouth County. It should be a close but interesting finish. Mr. Cameron, the advisor, is betting on ORR - they are experienced and very competitive. Good Luck!

The ORR Math Team won the Southeastern Massachusetts Conference Mathematics League by winning the league playoffs at Falmouth High School. The results of the playoffs are as follows: ORR, 92; Falmouth, 71; Dartmouth, 69; Attleboro, 66; Barnstable,

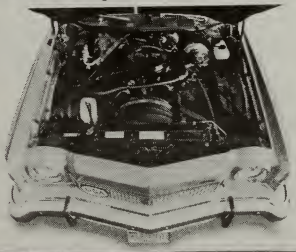
The #1 cause of mechanical breakdown

A dirty cooling system is destroying this engine and you can't even see the damage.

WYNN'S X-TEND Power-Flush
Advanced Cooling System Maintenance



There's more to your car's cooling system than meets the eye. In fact, the inner-workings of your engine and automatic transmission depend on proper cooling.

A dirty cooling system will allow deposits to accumulate in the crankcase. This build-up of deposits can result in costly repairs.

But you can help avoid this expense and inconvenience with WYNN'S X-TEND Power-Flush and WYNN'S X-TEND Cooling System products. A new approach to cleaning and maintaining your automobile's entire cooling system while helping to maximize cooling system efficiency.

WYNN'S X-TEND Power-Flush unit uses pressurized water and air to flush the cooling system — including even those hard-to-reach areas.

Entitled "Island Night", the benefit will feature solo and combined performances by all artists as well as an "Island Night" theme. Edwards, Taylor and the Pousette-Dart Band often perform together on the college and nightclub circuit as evidenced by the special appearance of Taylor and Pousette-Dart on the Jonathan Edwards Live album recorded at The Hot Tin Roof in Martha's Vineyard and the Paradise in Boston in 1980. "The combined energy and enthusiasm generated by these performers on stage separately and together is unbelievable", states Greg Morton, formerly Edwards' production manager.

"When the lights come on, I give it all to the crowd", states Edwards. And 14 years after his hit singles "Sunshine" and "Shanty" Edwards is doing just that. With a new energizing tempo, six albums, and thousands of fans behind him, Jonathan Edwards continues to pack concert halls and nightclubs with life-long fans all craving another dose of "Edwards magnetism".

wit, special guest artist Livington "Liv" Taylor is equally comfortable with a new uptempo sound and a constantly evolving career. The current host of "This Week's Music" (a nationally aired music/dance series featuring videos of music on the move) Taylor's musical career, much like Edwards', has resulted in six albums and a healthy following on the nightclub and college circuit.

The original Pousette-Dart Band featuring guitarist Jan Pousette-Dart with bassist John Troy and string wizard John Curtis will round out "Island Night" entertainment. The band, back together for special events, are best known for their hit single "Amnesia" and four popular albums.

In addition to the entertainment, "Island Night" will feature tropical surroundings and an Island Night Punch (Mount Gay Rum courtesy of "21" Brands, Inc.). Patrons are encouraged to come dressed for the islands: Hawaiian shirts, straw hats, etc.

"Island Night" is the first of two events planned by the Zeiterion Theatre Island Night/Regatta Committee. The second event, planned for a weekend in mid-August, will be the First Annual Zeiterion Theatre Sailing Regatta. Patrons will be able to register for the regatta at "Island Night".

The Zeiterion Theatre Island Night/Regatta Committee was formed by a group of private business people interested in generating funds for the theatre. Committee members include Committee Chairman Peter Johns of Merrill Lynch; Joe Barry and Bill Pike, also of Merrill Lynch; Al Lees, Acushnet Saw Mills; Greg Morton, Bridge Street Cafe; George Brengle, Cruising World Magazine; Tom Gray, WMYS FM; John Bullard, WHALE; Kevin O'Driscoll, Dartmouth Suzuki & Motorsports; John LaPointe, The Massachusetts Bay Antiques Company.
